DISABILITY SERVICES

EXPERIENCE A DIFFERENT LEVEL OF CARE

HOW WE CAN HELP YOU

YOUR RELIABLE NDIS PROVIDER

Vine and Branches Disability Services is dedicated to providing personalised and innovative disability support. With a focus on both one-on-one and group care and activities, we tailor our services to meet the unique needs of each individual.

We believe in empowering our clients to live the life they want. Our team works closely with each participant to match their needs with the right support staff, ensuring a supportive and fulfilling experience that caters to their individual goals.

SERVICES WE OFFER:

- Assistance with daily life
- Employment and skills support
- Nursing
- Home assistance
- Support coordination
- Assistance with social and community participation
- Transport

OUR COMMITMENT

We are committed to ensuring that each step of our process is focused on our participants' needs, support, and safety. Through the implementation of comprehensive policies and procedures, we meet with our clients, get to know them, and truly listen to their needs. This approach allows us to guide and support them in the best way possible.

VBDS's VISION

Established with a commitment to providing safe and inclusive support,

Vine and Branches aims to **enhance the lives of people with disabilities** and their families/carers. Our personalised care is tailored to each participant's specific needs, fostering a sense of inclusion and connection that enables them to thrive.

VBDS's MISSION

Our mission is clear: **to provide inclusive and personalised services with a difference**. We strive to enhance the lives of people with disabilities by encouraging our clients to make decisions that are right for them. We listen to their goals, ideas, and dreams, and provide the support they need to overcome challenges and achieve their aspirations.

VBDS's VALUE

Allowing clients with different levels of needs to be the owners of their care and life. Our focus is on the individual care of the individual, so programs are designed with their interest, needs and care in mind.

WHAT THE PARENTS SAY

“ My teenage daughter who has an intellectual disability commenced with this service over the July school holidays participating in cooking and craft programs 2:1. My daughter has now started 1:1 with a perfectly matched support staff doing weekly in home cooking and respite. I highly recommend this service and we look forward to the September holidays. ”

Simone Bow

We believe in fostering independence, building skills, and creating joyful experiences.

“ I am very happy and lucky to connect with Vine and Branches. They changed my life and my family’s life too. I have all the support that I need, and I’ve never had this experience with other providers before. I have support workers that listen to me and help me achieve my goals and I have a fantastic support coordinator who goes over and beyond. ”

Majid Shamoon

GROUP BASED ACTIVITIES

OUR SERVICES

ASSISTANCE WITH DAILY LIFE

Daily Personal Activities

- Tailored support for individuals who require assistance with daily personal tasks such as shopping, meal preparation, grooming, and hygiene.
- Personalised assistance to enable clients to maintain their independence and participate in community activities.
- Support provided by trained professionals to ensure the safety and well-being of clients while attending to their personal life matters.

High Intensity Daily Personal Activities

- Specialised support for individuals with high-intensity needs, including those who use wheelchairs or have complex disabilities.
- Assistance with daily personal tasks such as shopping, meal preparation, medication management, and mobility support.
- Trained staff equipped to address the unique challenges and requirements of clients with high-intensity needs, ensuring their comfort and dignity in all aspects of daily living.

Shared Living Daily Tasks

- Support for individuals living in shared accommodation who require assistance with daily tasks and errands.
- Collaboration with housemates to coordinate and distribute household responsibilities, ensuring a cooperative and supportive living environment.
- Assistance with tasks such as grocery shopping, meal planning, household chores, and transportation to appointments or social outings.

OUR SERVICES

EMPLOYMENT AND SKILLS SUPPORT

Support for Employed Individuals

- Tailored assistance for employed individuals who require support due to disabilities or health conditions.
- Provision of support workers to assist with tasks related to employment, ensuring a conducive and inclusive work environment.
- Advocacy and collaboration with employers to implement necessary accommodations and facilitate successful integration into the workplace.

Skills Development and Training

- Personalised training and support for individuals seeking to enhance their daily living skills.
- Practical workshops and sessions focused on skill development in areas such as cooking, swimming, bicycle riding, and other essential life skills.
- Empowerment through learning opportunities to increase independence, confidence, and quality of life.

OUR SERVICES

NURSING

Community Nursing Visits

- Personalised nursing services provided in the comfort of the client's own home.
- Assistance with wound care, including dressing changes, wound assessment, and infection control.
- Diabetic checks and management, including blood glucose monitoring, insulin administration, and education on diabetic care.

Health Assessment and Monitoring

- Regular health assessments to monitor the client's overall well-being and identify any changes or concerns.
- Vital sign monitoring, including blood pressure, heart rate, respiratory rate, and temperature.

Care Coordination and Advocacy

- Collaboration with healthcare professionals to ensure continuity of care and optimal health outcomes.
- Advocacy on behalf of clients to access appropriate healthcare services and resources.
- Coordination of medical appointments and follow-up care to facilitate timely and comprehensive treatment.

Education and Support

- Provision of education and support to clients and their families on managing health conditions, medications, and treatment plans.
- Empowerment through knowledge and skills development to promote self-care and independence.
- Ongoing communication and guidance to address any questions or concerns related to health and well-being.

WHAT THE PARENTS SAY

“I have a teenage autistic son that loves the staff at Vine & Branches Disability Services. They’ve taken him to the Zoo with a person matched to him and his needs. They’ve helped him with cooking skills and social interactions. I highly recommend this service and the staff really care for people and help.”

OUR SERVICES

HOME ASSISTANCE

Personalised Support for Home Tasks

- We offer personalised assistance to individuals with disabilities who require support with various home tasks, ensuring they can maintain their independence and comfort.
- Our services are tailored to accommodate individuals with restricted mobility or limitations in their accommodation, ensuring their living environment remains safe and conducive to their well-being.

Personalised Support for Home Tasks

- Our dedicated team provides a wide range of services to meet our clients' needs, including household cleaning, laundry, and basic maintenance tasks.
- From changing light bulbs and installing smoke alarms to addressing minor electrical and plumbing issues, we ensure that our clients' homes are safe, functional, and comfortable.
- We also offer appliance repairs and maintenance to ensure that essential household items are in good working condition, providing peace of mind to our clients.

Enhancing Home Security

- In addition to household tasks, we prioritise the safety and security of our clients' homes by offering security measures such as key safes, sensor lights, and security screens.
- These measures not only enhance home security but also provide our clients with added peace of mind, knowing that their homes are well-protected.

OUR SERVICES

SUPPORT COORDINATION

Comprehensive Plan Management

- Our Support Coordinators manage all aspects of our clients' NDIS plans, funding, and support services, providing comprehensive assistance and guidance throughout the process.
- We are approved to provide both Level 1 and Level 2 Support Coordination, offering a range of services to meet our clients' needs effectively.

Key Services Provided

- **Funding Applications:** We assist our clients in applying for funding based on their individual needs, ensuring they receive the necessary support to achieve their goals.
- **Financial Management:** Our team handles the management of funds on behalf of our clients, ensuring that budgets are properly allocated and utilised to meet their needs.
- **Service Coordination:** We work closely with our clients to identify their support requirements and organise disability and mainstream services accordingly, ensuring seamless coordination and access to essential resources.
- **Appointment Coordination:** Our Support Coordinators assist in scheduling and organising medical and allied health appointments, ensuring that our clients receive the necessary healthcare support and services.
- **Holiday Funding:** We help our clients organise funding for planned holidays, ensuring that they have the necessary support and resources to enjoy meaningful and fulfilling experiences.

Client-Centered Approach

- We take a client-centered approach to support coordination, prioritising our clients' preferences, needs, and goals in every decision and action we take.
- Our team works collaboratively with our clients and their support networks to ensure that their NDIS plans are tailored to their unique circumstances and aspirations.

OUR SERVICES

SOCIAL AND COMMUNITY PARTICIPATION

Engaging Activities

- We offer support for individuals to participate in a diverse range of social and community activities, including dance and cooking classes.
- These activities are carefully selected to cater to various interests and preferences, providing opportunities for individuals to explore new hobbies and connect with others.

Flexible Options

- Our services encompass both in-service activities held within our facilities and mainstream group events within the community.
- This flexibility allows individuals to choose activities that best suit their needs and preferences while promoting inclusivity and community integration.

Personalised Support

- Our dedicated team of support workers provides personalised assistance to individuals throughout their social engagements.
- We strive to create a supportive environment where individuals feel empowered to participate fully, offering encouragement and guidance as needed to overcome any challenges.

Empowering Independence

- By actively participating in social activities, individuals have the opportunity to develop valuable life skills, build confidence, and enhance their sense of independence.
- We prioritise fostering independence and self-determination, empowering individuals to take control of their social lives and pursue meaningful connections within their communities.

OUR SERVICES

TRANSPORT

Personalised Transport Solutions

- We arrange tailored transport assistance for clients to attend appointments, community activities, and daily tasks.
- Our services are customised to meet individual needs, ensuring convenience and accessibility.

Appointment and Community Transport

- We provide transport for medical appointments, therapy sessions, and community activities, promoting social inclusion and engagement.
- Our team ensures reliable and safe transportation to support clients' independence and well-being.

Daily Task Support

- We assist clients with grocery shopping, banking, and other daily tasks, ensuring access to essential services and amenities.
- Our priority is to provide convenient and reliable transport options to meet clients' needs and preferences.
